

Douglas Tran

Web & Marketing Designer | AI-Assisted Product Builder

Iowa City, IA | (319) 530-6556 | DougTran1@gmail.com | dougtran1.github.io | linkedin.com/in/douglastran1 | github.com/dougtran1

PROFESSIONAL SUMMARY

Detail-oriented web and marketing designer with experience building responsive websites, brand systems, digital content, and AI-assisted product workflows. Skilled in UI/UX prototyping, social media and event promotion, front-end development, workflow automation, and cross-functional collaboration. Uses user research, feedback, accessibility-minded design, and free-tier-friendly tools to create digital experiences that support engagement, lead capture, and operational efficiency. Seeking roles in web design, digital marketing/social media, or AI-assisted product design.

SKILLS

Design & Marketing: Brand identity, UI/UX prototyping, responsive web design, social content, event promotion, editorial layout, case-study storytelling.

Product & Web: Next.js, React, TypeScript, Tailwind CSS, Supabase/Postgres, Vercel, Git/GitHub, accessibility, responsive QA.

Automation & AI: Claude, ChatGPT, Codex, prompt engineering, AI agent workflows, MCP, Google Apps Script, Make.com, Python scripting.

Tools: Adobe InDesign, Illustrator, Canva, Penpot, Adobe XD, Microsoft Office, Microsoft Dynamics NAV, Google Workspace.

SELECTED PROJECTS

Earned | Product Designer & Developer | Next.js, Supabase, TypeScript | May 2026

- Built verified V1 of a personal goal/reward tracker with magic-link auth, user-owned data, guided goal creation, EXP banking, savings snapshots, reward claims, and a trophy archive.
- Designed responsive light/dark dashboards across Today, Goals, Rewards, and Trophies; used 16 Supabase migrations, RLS, generated types, and atomic RPCs for core flows.

ComfortFirst HVAC | Web + Automation Builder | HTML/CSS/JS, Google Apps Script, Make.com | March 2026

- Built a small-business website and speed-to-lead workflow that captures service requests, logs leads to Google Sheets, sends personalized replies, and alerts the owner for emergency submissions.
- Created urgency-tier messaging for browsing, warm, hot, and emergency leads; compared Make.com and Apps Script implementations for setup speed, visibility, and free-tier scalability.

Card Shop | Designer & Developer | Next.js, Supabase, Tailwind CSS, Vercel | 2026

- Built a free-tier TCG inventory/reservation demo with browse/filter, customer account flows, wishlists, admin inventory, role-based analytics, and 48-hour in-store pickup holds.
- Designed a Postgres RPC hold flow to prevent double reservations and scheduled cron expiry; connected PokeTCG and Scryfall APIs for card metadata, pricing, and bulk import support.

EXPERIENCE & LEADERSHIP

Temporary Accounting Clerk | West Music | Coralville, IA

August 2025 - September 2025

- Processed 1,000+ instrument loan records in Microsoft Dynamics NAV and resolved inventory/data discrepancies through cross-team coordination.
- Navigated Microsoft Dynamics NAV (ERP system) to process transactions, manage records, and support daily accounting operations.

Catalogue Designer | University of Iowa School of Art & Art History | Iowa City, IA

April 2024 - May 2024

- Designed a 40-page Process Catalogue in Adobe InDesign, including grid system, type hierarchy, cover/interior spreads, image preparation, and print-ready production files.
- Led peer critique/workshops and incorporated feedback to deliver a polished academic publication.

Vice President | University of Iowa Vietnamese Student Association | Iowa City, IA

August 2022 - May 2023

- Increased member engagement by 30% through programming, outreach, and culturally grounded event promotion.
- Used member feedback and improved planning workflows to reduce team workload by 25%.

Programming Assistant | University of Iowa Asian Pacific American Cultural Center | Iowa City, IA

August 2020 - May 2022

- Planned and facilitated cultural/educational events with 90%+ positive attendee feedback, coordinating logistics, communications, and event technology.
- Gathered feedback through conversations and surveys to improve programming and attendee experience.

EDUCATION

Bachelor of Arts, Interdepartmental Studies - Business Track: Technology & Inquiry | University of Iowa | Spring 2024
